Our Strengths

SUSTAINABILITY

Our Products Are:

- **Environmentally Friendly:** Free from lead and designed with the planet in mind.
 - **Low in VOC:** Containing less than 16g per litre to minimise air pollution and promote healthier indoor air quality.
 - **APEO-Free:** Avoiding harmful chemicals to ensure a safer, cleaner product.
-

COLOUR PALETTE

Our Products Are:

At Sun Paint, we offer you any color your imagination can dream up.

All our paint products are fully tintable to any shade in the NCS® (Natural Color System™) range, ensuring a perfect match for your vision. For added convenience, we also provide a selection of pre-mixed, off-the-shelf color options across our product lines.

NCS® is a comprehensive color system based on how the human eye perceives and categorizes colors. It offers a logical framework for:**

- Color Selection: Find the exact shade you need.
- Specification: Ensure precise color matching.
- Communication and Control: Facilitate clear color coordination.
- Design and Architecture: Enhance creative projects.
- Research and Marketing: Support color trends and innovations.
- Manufacturing: Achieve consistent quality.
-
- With our expansive color options and commitment to quality, we help you bring your most vivid ideas to life.
